Mr. B. Krupa,

Warsaw,
Poland.

Dear Mr. Krupa,

Please find enclosed a copy of the rally regulations for the Burmah Rally. This year this event has been given International Status and takes place in and around some of the most beautiful scenery in Scotland on August 19th/20th.

We know of your successes in winning the East European Rally Championship over the past two years with Mr. P. Mystkowski in your Renault Gordini and would very much like to invite you to the UK to compete on the Burmah Rally.

We can offer hotel accommodation for four people including your service car which will be for our account and fuel for your rally and service cars to the value of £200. As you are aware Castrol has been trying to bring West European drivers to a number of East European rallies over the last few years and it would be our pleasure to see you on our rally this year if it can be arranged.

If you have any questions on the event please do not hesitate to write to us immediately. We look forward to receiving your decision in the near future so that all the necessary arrangements can be made.

Yours sincerely,
Castrol Limited

Cameron McLennan,
Rally Co-Ordinator
