Dear Blazej:

I spoke with Slavic Porowski on the phone last week and he gave me your address.

I have written you to ask that you consider running both the Nevada Rallies in December this year. There are two events, one in Reno, Nevada called the Reno International Rally and the other in Las Vegas called the Sands Nevada Rally. The Reno event is Dec 11-14 and the Las Vegas event is Dec. 17-20. Both events are posting a \$25,000 minimum purse and have several sponsors who are interested in helping foreign competitors to come to the United States.

If you are interested in this prospect, please rush an updated packet on you, your co-driver and the car to the above address as soon as possible. I will need as much lead time as possible to try to secure you a sponsor.

If you have never been to the United States, Nevada is a very interesting place. The Reno area is surrounded by the Sierra Nevada mountains and has a beautiful lake-Lake Tahoe very near. Las Vegas is in the desert and is the gambling capital of the world. Both cities offer very much entertainment.

I do hope you are interested in attending the event. I have enclosed a flyer on the Reno Rally and a couple of booklets on Reno.

Please send the packet as soon as possible.

Regards,

John Nagel  
Chairman
